

GOLFVIEW OAKS ASSOCIATION

GVOA

Homeowners

WE NEED YOU!!!

We are in the process of trying to increase membership into the Association. Currently there are 456 homes in our sub and our members are ~ 65 homes. We have been told by the City-to get more accomplished in matters in your neighborhood-strong Associations make the difference!! The idea we are putting out is that of- "street captains". These homeowners – being members themselves- would walk the street and introduce themselves to the homeowners on their street. Hopefully, with the personal contact, more people will be apt to join. You need not join the board or be overly committed- the idea is to get to know your neighbors and hopefully get some exercise! Our goal is to have a captain for each street by Aug. 1st. Once all streets have captains there will be meeting for all captains to get to meet and with the board, discuss how we can go about recruiting. If you like to walk and enjoy meeting people or would just like to get involved on a small scale this may be your ticket!! If you have any questions or would like to sign up please call Janet Joyce @ (313) 274-2096- Thanks for your time and interest.
